

Charter College COVID-19 Plan
Revised 07/16/2021

As of 7/19/2021 Charter College Locations in the States of Alaska, Montana, New Mexico, and the Oxnard California campus will resume pre Covid-19 operations except in the following areas.

- In the AAS Nursing program, all Nursing, Science and General Education Lectures will be conducted online via Microsoft Teams.
- Those who are fully vaccinated can gather indoors with other fully vaccinated people without wearing a mask or staying 6 feet apart. Masks will still be required while practicing procedures on other people in the Dental Assisting, Medical Assistant, Nursing and Veterinary Assistant programs.
 - You are considered fully vaccinated 2 weeks after a second dose in a 2-dose series such as the Pfizer or Moderna vaccine or 2 weeks after a single-dose vaccine such as the Johnson and Johnson vaccine.
 - Charter College will not be requiring Students, Staff, or faculty to provide proof of vaccination thus each individual must determine what course of action is best for them and their specific situation.

As of 7/19/2021 Charter College Locations in Los Angeles County will operate with the following safety precautions in place.

- All persons are required to wear face masks in accordance with that State's Department of Health guidelines, covering the nose and mouth while on campus.
 - The student, staff, or faculty may provide their own mask otherwise the College will provide one.

As of 7/19/2021 Charter College Locations in the State of Washington will operate with the following safety precautions in place.

- All persons are required to wear face masks in accordance with that State's Department of Health guidelines, covering the nose and mouth while on campus.
 - The student, staff, or faculty may provide their own mask otherwise the College will provide one.
- The College will frequently disinfect common touch surfaces such as door handles, desks, chairs, equipment, restrooms, and other common surfaces.
- The College encourages frequent handwashing for all students, staff, and faculty. The College requires handwashing at the beginning and end of instruction, before and after going to the bathroom, before and after eating, and after coughing, sneezing, or blowing their nose.
- Hand sanitizer (60%+ ethanol or 70%+ isopropanol) will be available throughout the campus.
- Appropriate social distancing will be kept at all times while on campus except as noted for lab. Students may perform lab activities where strict physical distancing is not feasible; during lab activities, appropriate PPE will be utilized. Appropriate PPE, such as gloves, safety glasses or face shields, will be worn during lab skills practice.
- All students, staff, and faculty with COVID-19 symptoms are required to stay home until cleared to return to school; See the next bullet point for clearance details. The following are considered to be COVID-19 symptoms.
 - Cough

- Shortness of breath or difficulty breathing.
- Temperature at or above 100 degrees Fahrenheit
- Fever
- Chills
- Muscle or body aches
- Headache
- Sore throat
- New loss of taste or smell
- Fatigue
- Congestion Runny Nose
- Nausea or Vomiting
- Diarrhea
- Signs and symptoms of COVID-19 continue to evolve, please visit the CDC's website at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>
- Students, faculty, and staff who have potentially been exposed to the virus should not come to campus until:
 - cleared by a physician or
 - test negative and are 24 hours symptom free prior to returning or
 - test positive, quarantine for 10 days and are 24 hours symptom free prior to returning.
- Students, Faculty or Staff who have been tested for COVID for any reason, must stay home until the results are available. Students notify your instructors and academic advisor to be cleared to return to campus. Faculty and Staff notify Human Resources to be cleared to return to campus.
- Staff, faculty, or students who fail to comply with any of the above will be sent home.
