

Charter College COVID-19 Plan
Revised 12/08/2021

Charter College Locations in Wasilla Alaska, and the State of Montana will operate under the following safety precautions in place.

- Those who are fully vaccinated can gather indoors with other fully vaccinated people without wearing a mask or staying 6 feet apart. Masks will still be required while practicing procedures on other people in the Medical Assistant program.
 - You are considered fully vaccinated 2 weeks after a second dose in a 2-dose series such as the Pfizer or Moderna vaccine or 2 weeks after a single-dose vaccine such as the Johnson and Johnson vaccine.
- The College will frequently disinfect common touch surfaces such as door handles, desks, chairs, equipment, restrooms, and other common surfaces.
- The College encourages frequent handwashing for all students, staff, and faculty. The College requires handwashing at the beginning and end of instruction, before and after going to the bathroom, before and after eating, and after coughing, sneezing, or blowing their nose.
- Hand sanitizer (60%+ ethanol or 70%+ isopropanol) will be available throughout the campus.
- All students, staff, and faculty with COVID-19 symptoms are required to stay home until cleared to return to school; See the next bullet point for clearance details. The following are considered to be COVID-19 symptoms.
 - Cough
 - Shortness of breath or difficulty breathing.
 - Temperature at or above 100 degrees Fahrenheit
 - Fever
 - Chills
 - Muscle or body aches
 - Headache
 - Sore throat
 - New loss of taste or smell
