Tuition and Fees

**Effective: 12/06/2019**

Students are billed each quarter based on the number of credit hours in which they are enrolled for the quarter and the cost per credit hour for their program. Full time students must take a minimum of twelve (12) quarter credit hours or a maximum of nineteen (19) quarter credit hours per term. Although Charter College encourages all students to attend full time occasionally students may attend part-time. If a student is attending part-time, financial aid will be adjusted based on actual hours attended.

Freshmen have successfully completed less than thirty-six (36) quarter credit hours. Sophomores have successfully completed at least thirty-six (36) quarter credit hours, but fewer than ninety (90) quarter credit hours. Juniors are those students who have successfully completed at least ninety (90) quarter credit hours. Seniors have successfully completed at least one hundred thirty-six (136) quarter credit hours.

*The costs in the table are not those for the number of quarter credits listed. Students enrolled in this program will earn the total quarter credits and clock hours through a combination of transfer quarter credit and campus course work. The number of quarter credits shown indicates the number of quarter credits a student will graduate from the program should the student be accepted to the program.
