# TUITION AND FEES

**EFFECTIVE: 04/23/2021**

Students are billed each quarter based on the number of credit hours in which they are enrolled for the quarter and the cost per credit hour for their program. Full time students must take a minimum of twelve (12) quarter credit hours or a maximum of nineteen (19) quarter credit hours per term. Although Charter College encourages all students to attend full time occasionally students may attend part-time. If a student is attending part-time, financial aid will be adjusted based on actual hours attended.

Freshmen have successfully completed less than thirty-six (36) quarter credit hours. Sophomores have successfully completed at least thirty-six (36) quarter credit hours, but fewer than ninety (90) quarter credit hours. Juniors are those students who have successfully completed at least ninety (90) quarter credit hours. Seniors have successfully completed at least one hundred thirty-six (136) quarter credit hours.
