

LICENSURE AND CERTIFICATION

If you are planning to apply for professional licensure/certification in a State other than where the program is offered, please contact that State's licensing board to determine whether Charter College's program meets the professional licensure/certification requirements in that State.

Charter College is researching the State-level authorization of its professional licensure/certification programs in the United States. Please refer to the chart on the next page to determine the status of your program in your respective State. This chart is only a guide; it is important that you confirm with the State's licensing board if you will meet the professional licensure/certification requirements upon graduation from Charter College's program.

Certificate in Dental Assisting: [American Dental Association](#)

Certificate in Medical Assistant: [American Association of Medical Assistants](#)

Certificate in Pharmacy Technician: [Pharmacy Technician Certification Board](#)

Associate of Applied Science in Nursing: [National Council of State Boards of Nursing](#)

If you need additional assistance finding contact information for your state, or if you need additional information regarding professional licensure, please email compliance@prospecteducation.com.
